

The Parish of Ellesmere Port Clergy

As part of our efforts to support the Catholic Life of our school, we believe maintaining strong links with our local churches and clergy is essential to a young person's spiritual development. We maintain these links by running a weekly Year Group Mass led by members of the local clergy; organising a termly 'Sunday Family Mass' in the local parishes; arrange Lenten Reconciliation Services; promote and support a parish-led Confirmation programme; and welcome clergy and parishioners to significant school events, such as Christmas Services and Celebration Evenings.

Parish Priest: Fr. Edmond Montgomery and Fr. Humphrey O'Connor

Father Edmond Montgomery is the Parish Priest for the churches of Ellesmere Port and is assisted by curate Father Humphrey O'Connor. Father Humphrey, as part of his ministry, coordinates with the School chaplaincy and celebrates weekly Masses. Moreover, he has an active presence in, and serves, the local Catholic primary feeder schools. This includes sacramental preparations, assemblies, Mass and a variety of youth ministries across the town.
