

Pearson BTEC Level 3 National Extended Certificate in Health and Social Care

Course Details

A broad basis of study for the health and social care sector. This qualification is designed to support progression to higher education when taken as part of a programme of study that includes other appropriate BTEC Nationals or A Levels.

There are three mandatory units.

Unit 1 – Human Lifespan Development

Learners cover physical, intellectual, emotional and social development across the human lifespan, and the factors affecting development and the effects of ageing.

Unit 2 – Working in Health and Social Care

Learners explore what it is like to work in the health and social care sector, including the roles and responsibilities of workers and organisations.

Unit 5 – Meeting Individual Care and Support Needs

Learners focus on the principles and practicalities that underpin meeting individuals' care and support needs, which are the foundation of all the care disciplines.

There is one optional unit

A further unit will be chosen at the discretion of the teacher to see what best suits.

Could be any one of the following:

Unit 10 *Sociological Perspectives*

Unit 11 *Psychological Perspectives*

Unit 12 *Supporting Individuals with Additional Needs*

Unit 14 *Physiological Disorders and their Care*

Assessment

This course is 260 Guided Learning Hours

This is the equivalent in size to one A Level. There are 4 units of which 3 are mandatory and 2 are external.

Mandatory content (83%).

External assessment (58%).

Two of the three mandatory units are assessed by examination.
