Headteacher Message

Dear Parents and Guardians,

We look forward to the Certificate evening tonight for Year 11 & Year 13.

Just a reminder that next Friday (25th November) is an INSET Day.

Have a lovely weekend and take care.

Mrs. Vile

The Royal Society of Chemistry Top of the Bench Competition

A team of our talented chemists took part in this competition at Liverpool University last week. This is a competition which aims to stretch the brightest and most able chemists in Yrs 9, 10 and 11. Our team; Madeleine Marsland Y11, Daniel Whitfield-Bird Y10, India-Mai French Y9 and Przemyslaw Nowicki Y9 took part in three activities: a 2hrs lab task, a 1hr exam and a poster presentation. The hours of research they put in prior to the event paid off as they came 1st in the Scientific Poster part of the competition which is an excellent achievement. They worked brilliantly together before and during the competition and really enjoyed the university laboratory experience. Well done also to Mr Herstell for negotiating the minibus around city centre Liverpool and supervising our team between activities.

Ellesmere Port Catholic High School

The LFC Foundation & LFC have joined forces to provide a work experience programme aimed towards year 12 students.

This programme has been created due to a high number of requests that the club receive and the dramatic decrease in workplace opportunities for young people during CV-19

"It felt enjoyable and lifted up my mood, it was a break from stressful schoolwork but educational at the same time with some fun. I Enjoyed the entire experience, thank you so much"

The week consists of 3 days of skill development delivered by the LFC Employability team, focusing on workplace behaviours, important soft skills and the LFC Club Values. During the other two days participants can experience a range of departments across the LFC Foundation and LFC. Departments that have provided support for work experience so far include:

- International Soccer Schools
