Headteacher Message

Dear Parents/Carers,

Thank you to all students who volunteered last night and their wonderful effort with Open Evening. We successfully managed to accommodate over 600 people in the school, and we've been receiving some amazing feedback about students, staff, the building, and how well organised the night was.

I wish you all a very relaxed weekend.

Mrs. Vile

Schools are asked to promote the week to pupils and families, highlighting the range of events taking place across the borough, including a Great Big Week Festival at Grosvenor Park on Saturday, 24 September, 11am to 4pm.

Details of all the events can be found on the Council's Climate Emergency Inspire hub, visit:

We particularly want to highlight our next online event "[An Introduction to Schools of Sanctuary](#)" which will take place on the 11th October at 4pm. This event is the perfect starting point for any school interested in working towards the award this academic year.

We're working hard to offer more events, resources and support than ever to our growing network. If you are able to donate to help us in our efforts, or if you can run a fundraiser at school in support of Schools of Sanctuary, every single donation counts and means a lot to our tiny part-time team. You can [donate here](#).

Please do keep us posted when your school gets involved in sanctuary activities this year - you can share details with us on [Facebook](#), [Twitter](#) and [by email](#).

Wishing you all a wonderful start back to school: we look forward to working with you more this year to build welcome and compassion in schools and our communities.
