## **Winter water safety advice**

I am sure you have all seen the devastating news this week about the 3 young lives who lost their lives whilst out playing in the snow and ice.

Water Safety Matters is a training company in Cheshire dedicated to training and educating young people in how to stay safe and make safe decisions.

Please can you share this information with your parents and pupils as they head off to enjoy the Christmas break

- Always tell an adult where you are going
- Always stay together
- Never venture out onto any frozen water as it may not be very strong
- If a friend gets into difficulty throw something to them, don't try and rescue them
- Call 999 and ask for the fire service – phones need to be charged and the call is free
- If you fall into water, lie on your back and try and float by making a star shape.

## MUSIC MARK SCHOOL

---

### **Music Department**

I am pleased to announce that EPCHS have been awarded the Music Mark Award 2022-2023. It is the recognition that we provide accessible and excellent musical learning and engagement in and out of school, for all children and young people, which inspires and enriches their lives.

Please read below the welcome letter:

### **Congratulations and welcome to Music Mark Schools!**

Your school has been invited by your Music Service to become a Music Mark School. They have recognised the value that you place on music and asked us to add you to the growing network of Music Mark Schools we support across the UK as a Music Subject Association.

We would like to thank you for all the hard work you and your colleagues do to ensure that pupils at your school are able to access and engage with a high-quality music education. Your dedication to offering and delivering a broad and balanced curriculum is both welcomed and celebrated.

We look forward to supporting you as you continue to develop music education in your school. We hope to see you at our events and training on a wide variety of topics and please do take a look at our catalogue of resources which includes specific guidance for schools, dedicated teaching resources and inspiration for your curriculum. You can keep in touch with us and stay up to date with the latest music education sector news, events and resources by signing up to our newsletters.

Our vision is for there to be accessible and excellent musical learning and engagement in and out of school, for all children and young people, which inspires and enriches their lives. We are working to achieve this with our members and partners by supporting you, connecting you with your peers, and influencing policymakers on your behalf. Like you, we truly believe that every child and young person deserves a high-quality, diverse, inclusive music education and we thank you for all that you are doing. You can find out more about our vision and mission on our website.
