

**AO: Assessment objectives. Students will be assessed on their ability to:**

**AO1:** Develop ideas through sustained and focused investigations informed by contextual and other sources, demonstrating analytical and critical understanding.

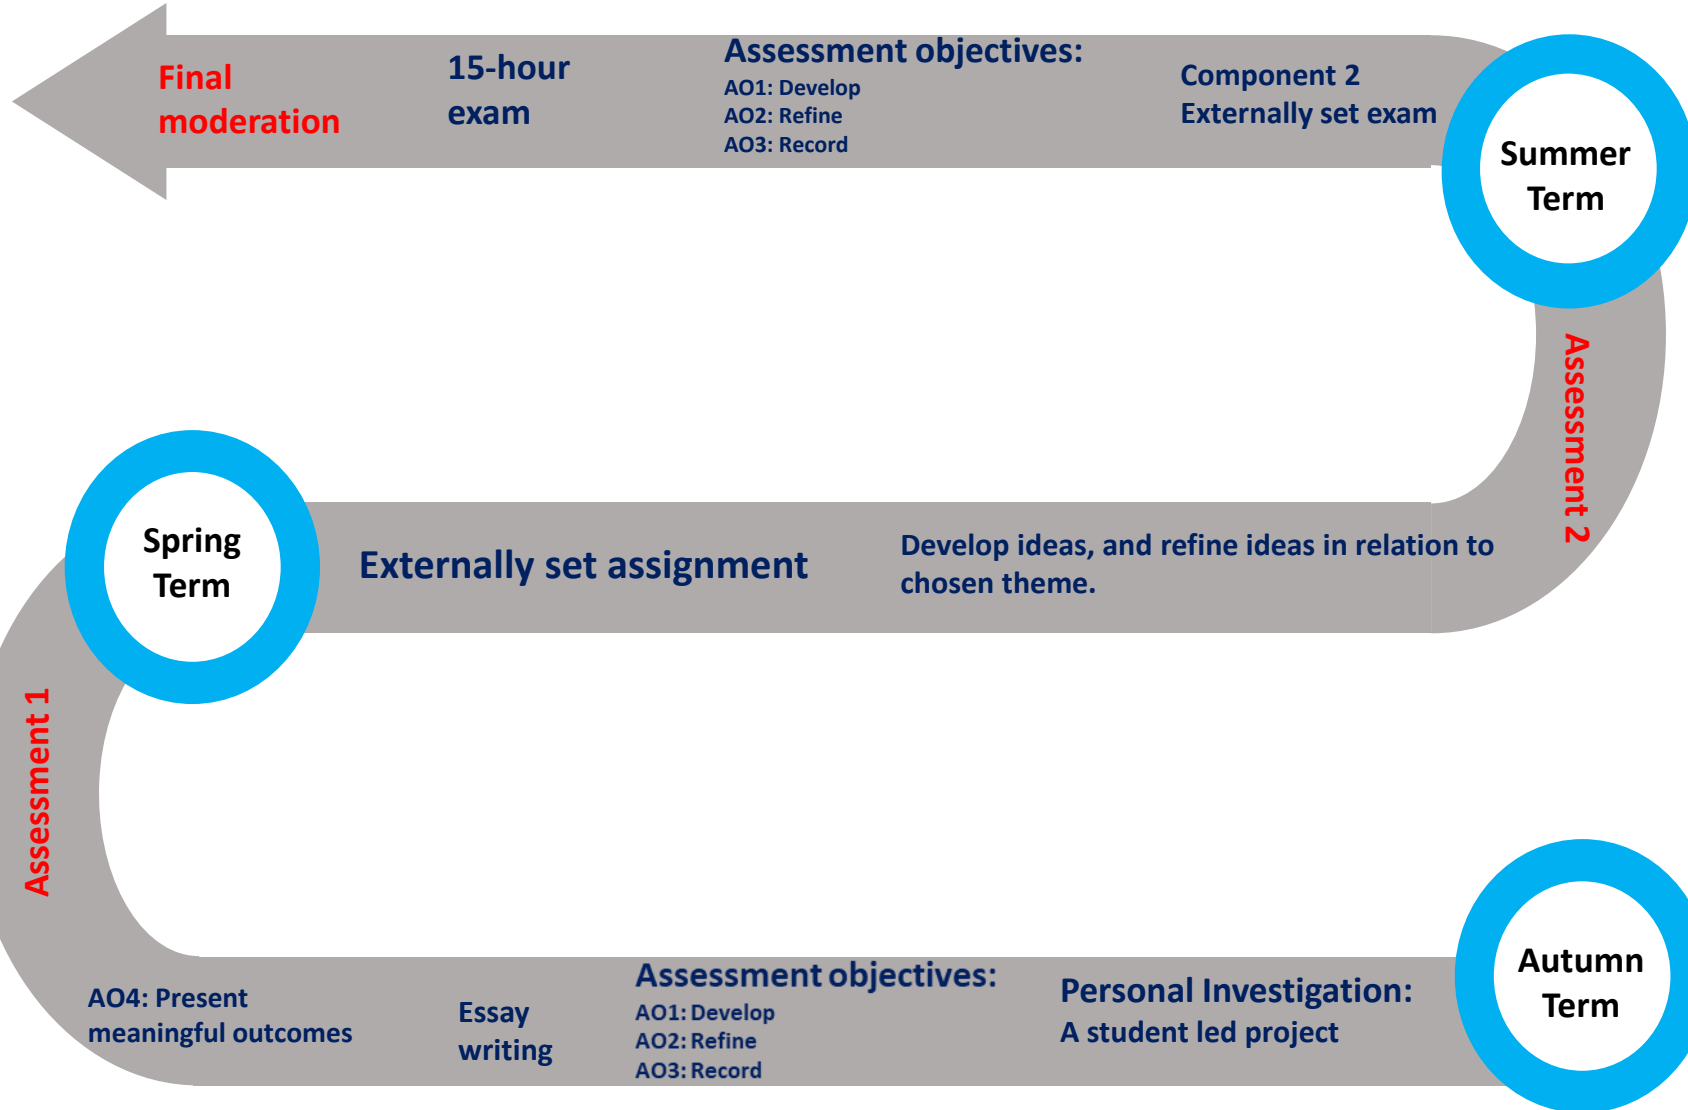

**AO2:** Explore and select appropriate resources, media, materials, techniques and processes, reviewing and refining ideas as work develops.

**AO3:** Record ideas, observations and insights relevant to intentions, reflecting critically on work and progress.

**AO4:** Present a personal and meaningful response that realises intentions and, where appropriate, makes connections between visual and other elements.
