

## RAAC Statement: **Adapted Curriculum due to RAAC for Music**

### Autumn Term 2023

Due to the recent discovery of RAAC in the Music classrooms, the department has had to adapt the teaching of certain schemes of learning due to the fact that the workspaces, and equipment are not accessible. Therefore, temporarily the Music curriculum has been suspended and, in its place, will be Personal Development lessons until such a time as new mobile classrooms are available as per DfE instructions.

We will be using resources, across key stage 3, from the Jubilee Character Programme, adapted specifically for our staff in our school setting, focussing upon the needs of our pupils. This programme, as the name implies, focuses upon character and virtue, which works in conjunction with our PD curriculum.

More information pertaining to Jubilee Character Programme can be found here:
