Introduction

We try to encourage in our pupils a sense of pride in belonging to the school and a sense of confidence coming from a smart appearance suitable for all school occasions. Accordingly, the school has a simple, inexpensive but strict uniform policy. Any pupil not in full school uniform or whose appearance does not meet our standards may be sent home or removed from lessons. If there is a genuine emergency, a note should be sent to the appropriate Pastoral Leader.

Appearance

It is difficult to give a definitive list of what might be unacceptable in terms of appearance. Young people are influenced by fashion as we all are to a degree and this changes regularly.

A clear uniform policy helps of course. In general we would make judgements about the acceptability of dress and appearance based largely upon what might be considered acceptable in a conservative workplace serving the public, a bank for example.

No extremes of appearance are acceptable. This includes hair-styles as well as dress and the school reserves the right to judge extremes of dress and appearance.

Make-up, fake tan, artificial nails, nail varnish, rings, body piercing or tattoos and nose studs are not

permitted in school.

Jewellery is not allowed, except for a watch and one pair of small studs, one per ear. Studs, worn at students own risk, may be worn only in the lobes of the ears and need to be removed for P.E. and Games.

Hair - we insist on tidy hair without extremes of style throughout changing styles and fashions. No shorter than a grade 2. Long hair should have it kept tidily in place, with all hair fully tied back if the hair touches the collar.

Hair spray and hair gel are not allowed for reasons of safety. All such dressings render hair more flammable and represent an avoidable risk in the workshops, laboratories and Home Economics rooms.

If school shoes are not suitable or if trainers are worn, replacements will be provided by the school and this is NOT optional. If a student refuses to wear the school shoes, parents and guardians will be called to bring in suitable school shoes.

If uniform standards are not adhered to the school reserves the right to provide suitable uniform until a replacement item can be sourced.

Lost property is kept in the Pastoral Office or in Student Services.
