

## **Information for Parents and Carers**

### **Our Careers Program**

At EPCHS, we aim to ensure the best possible outcomes for all of our students. We work proactively with the Careers and Enterprise Company and the Pledge to build a careers program that empowers our young people to develop skills and confidence in their future and informs them about relevant careers and pathways that work for them.

Our careers program is monitored termly against the 8 Gatsby Benchmarks (shown below). It is evaluated annually and updated using feedback from students, parents/carers, staff, and employers and our destinations data. We also gain feedback after specific events to ensure they have met our aims and to monitor impact.

Ellesmere Port Catholic High School Careers Policy ensures that all pupils at this school are provided with independent careers guidance from Year 7 to Year 11. The independent careers guidance provided is presented in an impartial manner, showing no bias or favouritism towards a particular institution, education or work option. It includes information on the range of education or training options, including apprenticeships, traineeships, and T-Levels. The guidance that the person giving it considers will promote the best interests of the pupils to whom it is given.
