

AO: Assessment objectives. Students will be assessed on their ability to:
AO1: Develop ideas through sustained and focused investigations informed by contextual and other sources, demonstrating analytical and critical understanding.
AO2: Explore and select appropriate resources, media, materials, techniques and processes, reviewing and refining ideas as work develops.
AO3: Record ideas, observations and insights relevant to intentions, reflecting critically on work and progress.
AO4: Present a personal and meaningful response that realises intentions and, where appropriate, makes connections between visual and other elements.
